**Sea Shore - 12' x 25'6"**

**Southwind - 15' x 34'**

**Twin Cove - 11'6" x 27'6"**

When considering design and layout, one must always consider step/stair and bench locations. Typically, the main step/stair is positioned closest to the point of entry and exit of the house. Generally, all pools have steps/stairs and benches in the shallow end area and often a deep end swim out.
