

Freeform Shapes

The Freeform Shape offers beautiful curves which introduces areas like the 2 person "cuddle corner", sweeping staircases and large bench areas. For those looking at a pool that doesn't have a straight line in the design, you want to incorporate some unique, free flowing landscape around the pool or looking for a niche to install a spillover spa or tanning ledge, this design is for you.

Cape Cod - 14' x 31'

Hamilton - 15' x 34'

Phoenix - 15' x 34'

Capri - 16' x 40'

Lexington - 16' x 36'

Water's Edge - 13' x 30'

Vienna - 16' x 35'

Coral Sea 1 - 15' x 40'

Java - 12' x 27'

Newport - 14' x 30'

Daydream - 14' x 39'

Coral Sea 2 - 15' x 35'

Seaswirl - 12' x 24'6"

Southport 1 - 14' x 34'

Southport 2 - 14' x 29'

Coral Sea 3 - 15' x 30'

Marco - 12' x 23'8"

When considering design and layout, one must always consider step/stair and bench locations. Typically, the main step/stair is positioned closest to the point of entry and exit of the house. Generally, all pools have steps/stairs and benches in the shallow end area and often a deep end swim out.
