St. Augustine - 14'6" x 28'

Cape May - 12' x 24'

Laredo - 10' x 20'

Paradise Beach - 14' x 30'

Pixie - 8'6" x 16'6"

When considering design and layout, one must always consider step/stair and bench locations. Typically, the main step/stair is positioned closest to the point of entry and exit of the house. Generally, all pools have steps/stairs and benches in the shallow end area and often a deep end swim out.
