Pleasant Cove - 11'6" x 22'

Sandy Cove - 11' x 18'

Island Cove - 11' x 22'

Long Beach - 7' x 18'

When considering design and layout, one must always consider step/stair and bench locations. Typically, the main step/stair is positioned closest to the point of entry and exit of the house. Generally, all pools have steps/stairs and benches in the shallow end area and often a deep end swim out.
